

**K&V INGENIERIA**, in compliance with the Statutory Law 1581 of 2012 and Decree 1074 of 2015, hereby informs customers, suppliers, employees and the general public, both active and inactive, who have direct and indirect link with the company, Owners of the Personal Data that are included in the databases, which has been collected in the development of its corporate purpose, on the occasion of the business relationships entered into, informs the following:

The mechanisms through which these data are stored are safe and guarantee the confidentiality of the same, due to the fact that we have the appropriate means to prevent access to them by unauthorized third parties.

The Holders of personal information included in databases have the following rights with respect to the processing of the same: (i) To know, update and rectify the information collected; (ii) To request at any time that their information be rectified, modified, updated or deleted; (iii) To request proof of the authorization issued by the Holder, except as provided in Law 1581 of 2012; (iv) To be informed, upon request, regarding the uses applied to their personal data; (v) With compliance with the legal requirements, file before the Superintendence of Industry and Commerce complaints for violations in accordance with the provisions of Law 1581 of 2012 and other rules that modify, add or complement it; (vi) Revoke the authorization and/or request the deletion of the data and its administration, in cases of violation of constitutional and legal rights and guarantees; (vii) Access free of charge to their disclosed personal data; and (viii) Demand confidentiality and reserve of the information provided.

For the purpose of exercising these rights, the Holders of the personal data may contact the company, as the party responsible and/or in charge of the processing of the information.

We kindly request that all data subjects who are registered in the company's databases, please authorize the company to continue processing their personal data, which have been provided and have been incorporated into the database and/or physical and/or electronic documents of any kind that the company has.

In the event that, within 30 working days from the date of this publication, the Holder of the personal data has not expressly stated that he/she does not authorize the processing of his/her personal data or has not requested the deletion of such data from the databases, it shall be understood that he/she has authorized the company to continue with the processing of such data, in accordance with the policies and procedures adopted for such purpose

Cordially,

---
